

Dear Club Main Contact,

RE: 2022/23 Membership Year – Squash in Scotland Club Membership

I hope you are well and looking forward to the start of the new squash calendar in the autumn months.

I am getting in touch with regard to your club's membership for the 2022/23 membership year. I am sending this to you as the main contact for the club, but please let me know if I should be directing the form to someone else.

Squash in Scotland Membership Tiers

This is an exciting time as we move to the new Squash in Scotland membership structure, which will ensure a fairer membership fee system for clubs.

The new membership structure offers three levels of package for clubs, with benefits associated with each level. Your club can choose a Basic membership with no cost attached, a Squash membership which will cost £100 per year or a Squash+ membership which will cost £195 per year and provide access to all benefits.

You can read more about the new levels of membership, including a comparison of benefits offered here: <https://www.scottishsquash.org/membership/squash-in-scotland-club-membership/>

Squash in Scotland Sign-up

We are opening the registration process now to allow time for clubs to decide on the best package to suit their needs, and to help us to ensure a smooth transition on SportyHQ.

The sign-up form, which includes membership data, can be found below the package information here: <https://www.scottishsquash.org/membership/squash-in-scotland-club-membership/> and should be submitted by clubs when it is ready. Clubs will be invoiced for their membership package following the AGM on September 18th 2022.

As part of the Squash in Scotland membership, we are offering individuals a Player membership. This will cost £15 per year and will allow individuals access to various benefits, including the opportunity to play in multi-club leagues and competitions.

During the club sign-up process, we would like your club to indicate whether you will ask members to pay that fee themselves, or if you wish to pay that fee as a club on behalf of your members.

If your club would require an invoice to complete payment on behalf of individuals, please choose the option at the bottom of the sign-up form which mentions the Teams call, as this will allow us to bypass the debit/credit card payment and arrange for an invoice to be sent.
