

SCOTTISH SQUASH WOMEN'S MASTERS SELECTION PROCEDURES & CRITERIA 2025/26

Introduction

A Selection Criteria Review Group meets prior to the start of each squash season to draft the team selection criteria for the coming season and agree the tournaments to be taken into account for the purposes of making selection decisions for the Representative Events. The selection tournaments for the 2025/26 squash season are outlined in Appendix 1.

The Scottish Squash Women's Masters Selection Procedures and Criteria document (the "Selection Policy") shall be communicated prior to the 2025/26 squash season and shall remain in place throughout the season. Any competitions which are no longer going to be considered as part of the Selection Policy will be communicated, at the earliest opportunity, to all of the players within the selection process. The Scottish Squash Performance Pathway team is responsible for monitoring the Selection Policy at each stage in the process.

Eligibility

In order to be selected to represent Scotland a player must meet the following eligibility requirements:

- a) Players must have reached the specified age by no later than the start date of the competition.
- b) The player must be eligible to represent Scotland according to the rules of the Representative Event.
- c) The player must be a registered Player member of Squash in Scotland.

Team Selection

Team selections will be made by a Selection Panel comprising the Competitions Working Group members. A procedural advisor will be present at any selection meetings and all selection meetings will be recorded in writing.

The players will be selected for the Women's over (WO) 35/40, WO45, WO50, WO55 teams from the following category:

1. Teams will be made up of 6 players based on the criteria below. Point 7 explains the criteria if teams wish to select a 7-player team. In no circumstances will a team of more than 7 players be selected.
2. The top 3 ranked eligible and available players in each age group in the Scottish Masters ranking points following the Scottish Masters National Championships. Rankings are based on results in pre-selected masters ranking competitions (see appendix 1).
3. If a player(s) ranked 1-3 is/are unavailable, it then continues down the rankings accordingly.
4. The Team Captain in each age group will be the number 1 ranked player at the end of the season (following the Scottish Masters National Championships). If the number 1 ranked player is not available or does not wish to carry out the role of Team Captain this will move to the next ranked player and so on. In the unlikely event that no player wishes to assume the role then Scottish Squash will not be able to enter a team into that age group in the Masters Home Internationals.
5. The Team Captain is responsible for any wild card selections. Three wild card selections can be made in each team. The wild card selections must meet the following criteria:
 - a. If two wild card selections are made, at least one of the players must have competed in a minimum of one pre-selected master ranking competitions (see appendix 1). For the second wild card there is no criteria against its selection.
 - b. If three wild card selections are made, at least two of the players must have competed in a minimum of one pre-selected master ranking competitions (see appendix 1). For the third wild card there is no criteria against its selection.
6. If a team wishes to select 7 players, the first 6 players selected must be in a unanimous agreement. The 6 player team are then able to select the seventh player. Similar to 5.b., the seventh player will be treated as a wild card selection with no criteria attached.
7. The players will be selected for the Women's over (WO) 60 and WO65 team from the following category:
 1. Teams will be made up of a maximum of 4 players based on the criteria below.

2. The top 2 ranked eligible and available players in the WO60 and WO65 age group in the Scottish Masters ranking points following the Scottish Masters National Championships. Rankings are based on results in pre-selected masters ranking competitions (see appendix 1).
3. If a player ranked 1-2 is unavailable, it then continues down the rankings accordingly.
4. The Team Captain in each age group will be the number 1 ranked player at the end of the season (following the Scottish Masters National Championships). If the number 1 ranked player is not available or does not wish to carry out the role of Team Captain this will move to the next ranked player and so on. In the unlikely event that no player wishes to assume the role then Scottish Squash will not be able to enter a team into that age group in the Masters Home Internationals.
5. The Team Captain is responsible for any wild card selections. Up to two wild card selections can be made in each team. The wild card selections must meet the following criteria:
 - a. If only one wild card selection is made, there is no criteria against its selection.
 - b. If two wild card selections are made, at least one of the players must have competed in a minimum of one pre-selected master ranking competitions (see appendix 1).

Appeals

The decision of the Selection Panel may be appealed on the following grounds:

1. The selection policy was not properly followed and/or implemented;
2. The selection policy has been misapplied, or applied without sufficient evidence;
3. The selection process was made in bad faith and/or with bias and/or perversely and/or otherwise been demonstrably unfair; and/or
4. The selection decision was one that no reasonable decision maker could have reached.

Any appeal must be made within seven days following the communication of the team selection. It should be made in writing, marked "Private & Confidential" to the CEO.

Composition of the Appeal Panel and Hearing Process

The timeframe for the Appeal Panel hearing being held will be considered on a selection-by-selection basis giving sufficient time for players to put together their representations, whilst being mindful of proximity to the tournament at the subject of the appeal.

The members of any Appeal Panel will have had no involvement with the original decision and will be independent of the Selection Panel. The Appeal Panel will be made up of the following:

- The Scottish Squash Limited Board Member responsible for the Risk, HR & Compliance Sub Committee (if the scenario arises whereby this person has had an involvement with the original decision, this role will be delegated to another member of the Risk, HR & Compliance Sub Committee).
- An independent panel member from another sport.
- A second independent panel member from another sport.

The composition of the Appeal Panel will be considered prior to selections being communicated to ensure no unnecessary delays. If the player can demonstrate that the composition of the Appeal Panel is clearly unfair and/or conflicted then Scottish Squash shall give consideration to arbitrate before an independent panel appointed by Sport Resolutions.

In the case of an appeal being upheld, the Appeal Panel will refer the matter back to the Selection Panel for review, along with their reasons for requiring a review.
