

Scottish Squash Junior Selection Procedures and Criteria 2025-26

Introduction

A Selection Criteria Review Group meets prior to the start of each squash season to draft the team selection criteria for the coming season and agree the tournaments to be taken into account for the purposes of making selection decisions for the Representative Events. The selection tournaments for the 2025/25 squash season are outlined in Appendix 2.

The Scottish Squash Junior Selection Procedures and Criteria document (the "Selection Policy") shall be communicated prior to the 2025/26 squash season and shall remain in place throughout the season. Any tournaments which are no longer going to be considered as part of the Selection Policy will be communicated, at the earliest opportunity, to all of the players within the selection process. The Elite Performance Coach is responsible for monitoring the Selection Policy at each stage in the process.

Eligibility

In order to be selected to represent Scotland a player must meet the following requirements:

- a) The player must be eligible to represent Scotland according to the rules of the Representative Event.
- b) The player must be a registered member of Scottish Squash Limited.
- c) The Elite Performance Coach and the Pathway Manager & Coach will have the right to request any player who is in contention or who has been selected in a team to undergo a medical examination by a medical practitioner nominated by the Elite Performance Coach. Based on the outcome of such an examination, a player may be deemed unfit for selection.
- d) All players must maintain open communication regarding training, progress and tournament results with the Pathway Manager & Coach throughout the season.

Team Selection

Team selections will be made by a Selection Panel comprising the Elite Performance Coach, the Pathway Manager & Coach and Non-Executive Director – Performance. A procedural advisor will be present at any selection meetings and all selection meetings will be recorded in writing. The Elite Performance Coach will also have the casting vote in any deliberations between the Selection Panel.

The Team players will be selected from the following:

- The selection criteria is a points based system (see Appendix 2 for points structure). Players accrue points throughout the season from the nominated events only in the attached points structure. Points will be updated after each event.
- The selection window opens at the first Scottish Senior Gold event and ends at the Scottish Junior Nationals. The final points total for each player will be their top 4 points scoring results from the selection events.
- Selections will be the top 2 boys and top 2 girls for the U17 and U19 Europeans, and top 3 boys & top 3 girls for 5 Nations in the points table for each age group.
- If a player is eligible for more than one age group their overall points total counts in all age groups they are eligible for no matter which age group they have earned them in.
- If players in contention for the team end on the same points total, then the last result between the two players will be taken or if no head to head results the decision will be made by the selection panel.
- If a player enters two different age groups in one event, then only the highest points earned count towards the final points total, not both.
- Players can only earn points from either their own age group or one age group above.

There is an option for a wildcard selection if players meet **all the below conditions**:

- They have played at least two but not 4 of the nominated selection events and at those events have finished either higher or beaten a player who has finished in a position to make the team in the final

points tally.

- They had a legitimate injury or illness which prevented them playing more events and can provide proof from a medical professional of the injury or illness.
- They can provide proof of fitness to compete.

If a player meets all the above any selection will be at the discretion of the selection panel.

After full consideration of all of the data by the Selection Panel, the final selections will be communicated to all players by the Pathway Manager & Coach and to the Board from the CEO. The Pathway Manager & Coach will also make all shortlisted but non-selected players aware of the appeal process and, where necessary, make all selected players aware that their selection is provisional and confidential until the conclusion of any appeal process.

Appeals

1. The decision of the Selection Panel may be appealed on the following grounds:
2. The selection policy was not properly followed and/or implemented;
3. The selection policy has been misapplied, or applied without sufficient evidence;
4. The selection process was made in bad faith and/or with bias and/or perversely and/or otherwise been demonstrably unfair; and/or
5. The selection decision was one that no reasonable decision maker could have reached.

Any appeal must be made within seven days following the communication of the non-selection by the Pathway Manager & Coach. It should be made in writing, marked "Private & Confidential" to the CEO.

Composition of the Appeal Panel and Hearing Process

The timeframe for the Appeal Panel hearing being held will be considered on a selection by selection basis giving sufficient time for players to put together their representations, whilst being mindful of proximity to the tournament at the subject of the appeal.

The members of any Appeal Panel will have had no involvement with the original decision and will be independent of the Selection Panel. The Appeal Panel will be made up of the following:

- A Scottish Squash Limited Board Member who sits on the Risk & Compliance Sub-Committee.
- An independent panel member from another sport.
- A second independent panel member from another sport.

The composition of the Appeal Panel will be considered prior to selections being communicated to ensure no unnecessary delays. If the player can demonstrate that the composition of the Appeal Panel is clearly unfair and/or conflicted then Scottish Squash shall give consideration to arbitrate before an independent panel appointed by Sport Resolutions.

In the case of an appeal being upheld, the Appeal Panel will refer the matter back to the Selection Panel for review, along with their reasons for requiring a review
